

## Air & Space Forces Advocate

We're only a few months into 2024, but it feels like the Air Force Association/Wright Memorial Chapter (AFA WMC) is already operating at Mach 1.6. On this fast flight path, one of the vectors along the way - in addition to our advocacy role with senior government and community leaders - is presenting several AFA WMC sponsorship opportunities, which support such activities as community outreach programs, educational scholarships, advocacy events, and networking opportunities at Wright-Patterson Air Force Base (WPAFB) and in the greater Dayton, OH area.

Additionally, we support STEM education through grants and other 'honor' programs for local schools or teachers; scholarships to active-duty members, ROTC and Junior ROTC students; plus we give back to our military and veteran affiliated community, championing people and events at the Dayton VA Medical Center, as well as Airmen, Guardians, and civilians of all ranks and grades - and their families. Other 2023 activities we will continue into 2024 are (which sponsor support makes possible) are:

- Aid to those in need who are part of AFA's Wounded Airman Program in partnership with the Air Force Wounded Warrior program.
- Support for WPAFB recognition programs, such as the Quarterly and Annual Awards, Air Force Institute of Technology (AFIT) Awards, 88ABW Annual Awards Program, and numerous scholarship programs for Reserve Officer Training Corp, Junior Reserve Officer Training Corp and Community College of the Air Force.
- Recognize a Teacher of the Year, provide multiple schools (with a focus on socioeconomically disadvantaged schools) to provide STEM grants and scholarships.
- Support for the Team WPAFB Anniversary Ball, Annual Enlisted Awards Banquet, and honor four Annual Chapter Award Winners.
- Steward three AFA-hosted Chalets at the Dayton Air Show, to which key senior Air Force military and civilian leadership are invited as our guests.

Additionally, Sponsors receive recognition at all Chapter-supported events throughout the year, as well as on our website.

Ultimately, the decision to donate to AFA is up to you. However, I hope this information provides you with some insights into the valuable work we do and the positive impact your contribution could have. Should you want more details on sponsorship levels and benefits, they are attached. If you have any questions regarding sponsorship opportunities, please contact me at your convenience (dbabcock@afadaytonwright.org or 937.478.6138.)
