

# Supporting our Military

Proceeds from this outing proudly go to support the Wright-Patterson Air Force Base Fisher Houses, First Sergeant Council, the 178th Wing and other base-related projects.

Fisher Houses are compassionate facilities located on Wright-Patterson Air Force Base that serve active duty and retired military, reservists, and their families. Your participation helps support the Fisher House organization and the families of hospitalized members of our armed forces. Thank You!

First Sergeant Council monitors the health, welfare, discipline, and morale of WPAFB's Airmen. The council provides support programs for Airmen and their families.

U.S. Military: National Guard  
Active, Reserve, and Retired

The Miami Valley Military Affairs Association (MVMAA) was formed in 1980 by several area Chambers of Commerce. These Chambers recognized the tremendous economic impact the military installation had on the Miami Valley Area and joined together with the leadership of Air Force Organizations. A board of trustees made up of 14 local Chambers from a four county area and six members-at-large, governs MVMAA. Since 1990, MVMAA and The Presidents Club of Dayton have donated over \$171,000 to the Fisher Houses and over \$19,000 to First Sergeant Council. For more information visit us at [MVMAA.org](http://MVMAA.org).

Comprised of key civic leaders  
represented in various  
service clubs throughout  
the Greater Dayton Region.

Broad in its concept and unique in its composition, The Presidents Club of Dayton, Ohio, was founded in 1932 by a group of local businessmen who had a genuine interest in the growth of their respective service organizations. They knew how vital securing and sustaining membership was (and still is) to the health and well-being of any organization, the encouragement of volunteer community leadership, as well as the importance of being well informed and making a contribution to your community.
